FRAGMENT

Milí studenti,

jste-li v angličtině mírně pokročilí anebo patříte mezi falešné začátečníky, s Angličtinou – 5 minut denně máte možnost se netradiční formou naučit nová slovíčka nebo si připomenout ta pozapomenutá. Můžete si oživit gramatická pravidla nebo se dozvědět něco zbrusu nového.

Princip kalendáře dodá Vašemu učení po dobu 5 měsíců jasný řád a pravidelnost, které jsou při učení cizích jazyků tak potřebné. Nemusíte s sebou nosit těžké učebnice, díky samostatnému listu můžete jednotlivé úlohy řešit téměř kdekoliv a kdykoliv.

Jak pracovat s touto knihou:

1. Každý den vytrhněte z knihy jeden list určený pro daný den v týdnu.
2. Řiďte se zadáním: v pondělí si rozšiřujte slovní zásobu, v úterý procvičujte gramatiku, abyste se zasmáli středečnímu vtipu. Ve čtvrtek se znovu ponořte do studia slovíček, v pátek si vyzkoušejte překlad celých vět. V sobotu si odpočítejte u křížovky a v neděli si přečtěte napínavý příběh na pokračování.
3. Na závěr list zespondu přehněte a pohodlně si zkontrolujte řešení, naučte se nová slovíčka nebo si připomeňte základní gramatická pravidla.

Příjemné chvíle s angličtinou!

Následující stránky Vám pomohou se na začátku zorientovat.

Betty Botter Bought Some Better Butter

Betty Botter bought some butter
But she said the butter's bitter,
"If I put it in my batter,
It will make my batter bitter,
But a bit of better butter
Will make my batter better."
So she bought some better butter,
Better than the bitter butter,
And she put it in her batter –
And her batter was not bitter,
So 'twas better Betty Botter
Bought a bit of better butter.

MISTAKEN IDENTITY

(Part 1)

My fridge was empty, and it looked like this private detective was going to spend his Friday evening hungry. Shortly after ten pm, I walked over to the window to have a look at the street below. Suddenly, I heard a woman's voice.

"Go away, go away!" the voice screamed.

"Be quiet!" answered a man. "And don't say anything else!"

I didn't see the woman before she walked away. However, the strange man walked into the house across the street.

"Strange, very strange," I said to myself. This ordinary September evening was turning out to be not so ordinary.

Soon, the man walked out of the house. His hat was pulled down over his face, and he looked around in several directions before he walked away into the night.

Didn't an old lady live there? I wasn't completely certain. I was about to leave the window when I spotted a woman coming back to the door of the house. She pulled out a large key ring with many keys, trying several of them before she found the right one. The door opened and then promptly closed behind her.

Shortly thereafter, a light went on in a second storey window, and a few moments later, the front door opened again.

It was the woman again, this time with a small briefcase. She looked worried and didn't notice that she had dropped something on the pavement. She hurried away. I ran down the stairs and into the street to see what she had lost. It was an address book... and a key ring.

The next day I walked downstairs and out the main door. Then I saw an ambulance and a police car pull up in front of the house across the street.
